

Where to get native plants

I just updated my list of [native plant nurseries](#) – commercial, botanic gardens, nonprofits, wholesale and retail. Notice that we had to cancel the [annual California Native Plant Society - San Gabriel Mountains Chapter sale](#) this year, but we are hoping to hold one next year on November 6, 2021.

[Please let me know](#) if I missed any suppliers, or got any of the contact info wrong. Happy Planting!
