

Smart Gardening Workshop

This month our volunteer day will be a bit unusual. LA County will be offering a [Free Smart Gardening, Beginner Workshop](#). The community is welcome to attend the workshop (10 - 11:30 am), work in the park (9 - noon), or do both. (More information on the volunteer cleanup will be posted shortly.)

During the [Smart Gardening Workshop](#) you will learn the basic techniques of backyard composting, worm composting, water-wise gardening, grasscycling, and edible gardening. No reservations needed. Purchase [compost bins](#) at a discount after the workshop.

Free Smart Gardening - Beginner Workshop

Saturday, November 19, 2022, 10 - 11:30 a.m.

South Pasadena Nature Park

Backyard
compost bin

Worm compost bin
includes worms

Bins will be available for purchase at a discounted price after the workshop
